Kerala +2 Result 2025: Where to Check Marks Know here

The DHSE Kerala 12th board exams were conducted from March 3 to 26, 2025. The marksheet can
also be downloaded from the Digilocker Portal. Over 4.44 lakh students registered for the HSE and
VHSE exams this year.

The students who have appeared for this year's Kerala Plus Two (+2) exams will be able to check
their result and download the marksheet from the official websites of the Kerala board using their
credentials, like roll number and date of birth on May 22 at 4 pm.

The marksheet that will be available through these online sites will be provisional. To get their
original class 12 marksheet students will be required to collect it from their respective schools a few
days after the declaration of result.

The students who fail will have the option to appear in the supplementary exams and those
dissatisfied with their results will be able to apply for rechecking. The details regarding both of these
will be released by the board after the declaration of Class 12th Results.

The DHSE conducted the Class 12 2024 exams from March 1 till March 26. The result of these
exams was released on May 9, 2024. In 2023 the results were declared on May 25 whereas in
2022, they were declared on June 21

The overall pass percentage last year was 78.69 per cent.

It was a drop from the previous year when the pass percentage stood at 82.95%. A total of 3,74,755 students had appeared for the exams and 294888 passed the exams. Total number of students who got A plus full marks was 39242 which was an improvement from previous year. The overall pass percentage of science stream was 84.84 per cent, for Commerce it was 76.11 per cent while for Arts it stood at 67.09 per cent. In vocational stream pass percentage was 71.42 per cent.
