The Rajasthan board held the RBSE Class 12 science, arts and commerce exams between March 6 and April 9 this year. Initially, the BSER 2025 exam was set to conclude on April 5, however, due to a revision in the Class 12 business studies exam, the Class 12 exam got over on April 9. RBSE had to cancel and reschedule the Class 12 business studies exam after it found that the question paper was the same as last year. Around 30,000 students from the Commerce stream took the test on March 23.

Last year, the Rajasthan board result was declared on May 20. The pass percentage last year in commerce was recorded at 98.95 per cent, while in arts and science, the pass percentages were 96.88 per cent and 97.75 per cent. Over eight lakh students appeared for the Class 12 RBSE exams last year.
